HISTORY

Florida Metal Products Inc. (FLAMCO) was established in 1923 by Lee B. Jones. Our company has grown through four generations of family ownership to bring you quality roofing products you can rely upon. Our determination, integrity, and desire to provide great products and service to our customers allowed us to sustain nearly 100 years of change in the marketplace. Today, we are a leading manufacturer offering thousands of metal building products to meet your needs.

ITEM SORT

The items in this catalog are sorted by Metal Type, then Gauge, then Nominal Size, then Finish.

GLOSSARY

NOM SIZE	Nominal Size

ECON	Economy
CHAR BRZ	Charcoal Bronze
LT STONE	Light Stone

COLOR AVAILABILITY

Photography and printing processes, as well as actual viewing conditions, can affect the perception of our product colors. Please request samples before placing an order if you need an exact match.

Please be advised that some products may be listed in nominal sizes or may have unique sizing conventions. For more information regarding the exact size or dimensions of a product, please contact your area sales representative.

FLAMCO reserves the right to change the material, gauge, size, profile, finish, packaging or any other characteristic associated with the products listed herein.

ROOF EDGE | STYLE A

- Use the first table to determine the appropriate item code.
- For painted items, combine the start of the item code with the color code in the second table.
- All Roof Edge Style A products are sold 25/BDL.

ABOUT | FLAMCO MANUFACTURING AND DISTRIBUTION

FLAMCO operates three strategically-located facilities in Waco, Jacksonville, and Chicago that manufacture regionally-specific building products. This enables us to meet the individual and unique product requirements of the different markets we serve. In addition, we utilize distribution centers in Denver, Kansas City, and Springfield to provide faster delivery of key products. These facilities promote sustainable growth and the geographic expansion of our footprint.
